Keiarra Collins Named 2022 CBSCA Scholarship Recipient

OVERLAND PARK, Kans. – The Copper and Brass Supply Chain Association (CBSCA) has awarded Keiarra Collins a 2022 CBSA Scholarship. Keiarra is the daughter of Jinson Collins, an employee of Revere Copper. She was selected to receive the CBSCA Scholarship based on her academic achievement, extracurricular activities and financial need.

Keiarra is entering her freshman year of college at Siena College, Loudonville, NY, USA. She is deciding to major in either Finance, Political Science, Mathematics or Architecture. She was a member of her high school's National Honor Society, and Vice President of the Interact Club. She was also a member of her high school's Mathletics club, Drama club and Dance club.

"On behalf of the Copper and Brass Supply Chain Association member companies, I congratulate Keiarra Collins on this achievement and wish her much success, academically and in all future endeavors," said CBSCA President Dave Goad.

Funded by donations from CBSCA member companies, CBSCA awards multiple scholarships in various amounts to deserving young men and women each year. CBSCA member company employees, children of member company employees and students enrolled in an undergraduate degree program for industrial distribution are eligible to apply for the CBSCA scholarship.

About the CBSA Charitable Foundation

The CBSCA Educational Foundation was established to develop and administer the annual scholarship program at the undergraduate level to promote studies in fields helpful to copper and brass and/or industrial distribution.

Through the CBSCA Educational Foundation, CBSCA offers annual scholarships to:

- Employees of CBSCA member companies
- Children of employees of CBSCA member companies
- Students enrolled in an undergraduate industrial distribution degree program

About CBSCA

The Copper and Brass Supply Chain Association is comprised of Providers, the mills, distributors, fabricators and platers that produce red metals and the Affiliated companies that help the Providers serve their customers. This fledgling association is an evolution of the Copper and Brass Servicenter

Association (CBSA). CBSCA will build on the rich legacy of CBSA and focus on the ways in which the red metals supply chain can be as efficient as possible by learning from and networking with the members.
