Alexandra Allers Named 2022 CBSCA Scholarship Recipient

OVERLAND PARK, Kans. – The Copper and Brass Supply Chain Association (CBSCA) has awarded Alexandra Allers a 2022 CBSA Scholarship. Alexandra is the daughter of Corwin Allers, an employee of Mueller Brass. She was selected to receive the CBSCA Scholarship based on her academic achievement, extracurricular activities and financial need.

Alexandra is entering her senior year of college at Michigan State University in East Lansing, MI, USA. She is majoring in Social Relations and Policy and aspires to become an attorney. She is a member and Diversity, Equity and Inclusion chair for the Kappa Alpha Pi Pre-Law Fraternity, serves as secretary for the Council of Students with Disabilities Student Liaison for the Tower Guard Honors Organization and is a member of the Michigan State University Leader Dogs for the Blind Club.

“On behalf of the Copper and Brass Supply Chain Association member companies, I congratulate Alexandra Allers on this achievement and wish her much success, academically and in all future endeavors,” said CBSA President Dave Goad.

Funded by donations from CBSCA member companies, CBSCA awards multiple scholarships in various amounts to deserving young men and women each year. CBSCA member company employees, children of member company employees and students enrolled in an undergraduate degree program for industrial distribution are eligible to apply for the CBSCA scholarship.

About the CBSA Charitable Foundation

The CBSCA Educational Foundation was established to develop and administer the annual scholarship program at the undergraduate level to promote studies in fields helpful to copper and brass and/or industrial distribution.

Through the CBSCA Educational Foundation, CBSCA offers annual scholarships to:

- Employees of CBSCA member companies
- Children of employees of CBSCA member companies
- Students enrolled in an undergraduate industrial distribution degree program

About CBSCA

The Copper and Brass Supply Chain Association is comprised of Providers, the mills, distributors, fabricators and platers that produce red metals and the Affiliated companies that help the Providers

serve their customers. This fledgling association is an evolution of the Copper and Brass Servicer Association (CBSA). CBSCA will build on the rich legacy of CBSA and focus on the ways in which the red metals supply chain can be as efficient as possible by learning from and networking with the members.
